

Buddies

A new magazine that celebrates the bonds between people and their animal companions, especially here in Guadalupe County, Texas

The pilot issue of *Buddies*, a TLU faculty/student collaboration, includes articles on the Paws in Prison program, the ins and outs of fostering rescue animals, tips on caring for and training your cat or dog, book reviews, and profiles of your neighbors and their pets.

We are offering opportunities to sponsor full-color printing of *Buddies* for free distribution to new adopters of dogs and cats. Donations to Texas Lutheran University that are marked **student publications/animal magazine** will be directly applied to printing costs of \$1500 for the pilot issue.
